Social Work

Get the most out of your textbook. Start by making it your own with *Pearson Custom Social Work*.

Quality

Pearson Custom Social Work allows you to adapt your book by letting you choose content from Pearson's best-selling textbooks or your own original work to match your course objectives and personal approach. Customizing your content provides a clear roadmap to your course allowing your students to be more engaged and achieve better results.

Savings

If you currently use less than 80% of your required text, you can help your students enjoy substantial cost savings at the bookstore! For class sizes from 25 students and up, *Pearson Custom Social Work* enables you to put together course materials that are the perfect fit, organized just the way you want them.

Our custom books take the guesswork out of text revision cycles. You can extend the life of your custom book beyond the off-the-shelf types by deciding, how, when, and whether you want to revise – annually or less frequently.

Pearson Custom Social Work offers content in the following topics:

- Social Work
- Family Therapy
- Human Services

Features

Best For Your Students

Higher education is not a one-size fits all endeavor, and neither is your course. Your course textbook should reflect the same thoughtfulness and attention to detail as the course itself. *Pearson Custom Social Work* gives you the power to create a tailor-made textbook for your social work course that puts you, your students, and their education first.

Convenient For You

No need to reinvent the wheel – *Pearson Custom Social Work* has great tools that make creating your customized textbooks a snap. Our book building software is intuitive, flexible, and makes customization easier and faster than retro-fitting a preset textbook. Add that to our superior quality, top-notch material, and unparalleled pedagogy, and you'll see why other instructors rave about their *Pearson Custom Social Work* textbook.

Select only the material you need.

Pearson Custom Social Work is easy on your students' budget and the environment. By cutting out useless material and wasted space, you reduce cost and minimize your impact on our environment.

Add your own material.

Include your own syllabus, course notes, and exercises – even copyrighted material from other publishers.

Set the order of the content.

Say goodbye to hop-scotching all over your textbook in an effort to bend it to your course. You'll save precious time and help your students stay on track.

Everyone appreciates good quality.

Pearson Learning Solutions prints digitally from electronic files – no more tacky photocopies. And our layout is designed with your students in mind, with wide margins and ample white space for note taking, and paperstock that's ideal for highlighting.
