Boundaries

Get the most out of your reader. Start by making it your own with *Boundaries: Readings in Deviance, Crime and Criminal Justice*.

Quality

Boundaries allows you to adapt your book by letting you choose content from Pearson's best-selling textbooks or your own original work to match your course objectives and personal approach. Customizing your content provides a clear roadmap to your course allowing your students to be more engaged and achieve better results.

Savings

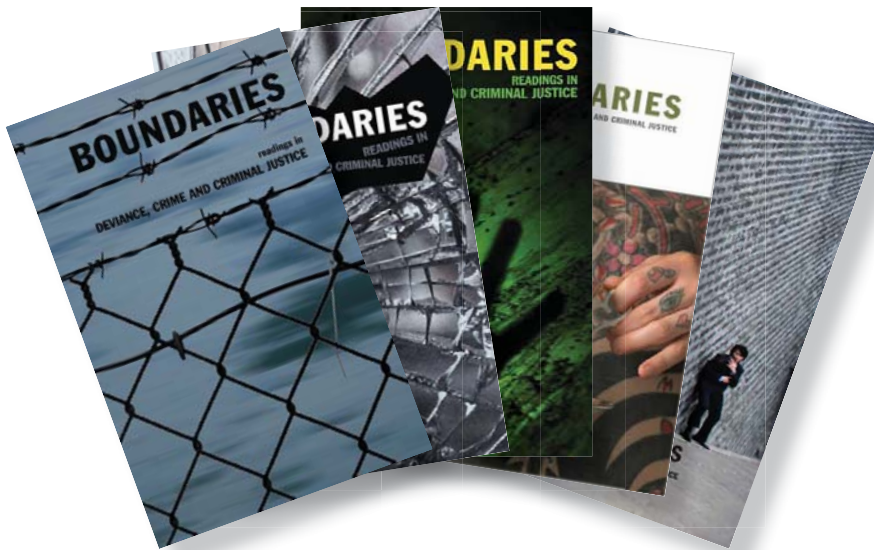

If you currently use less than 80% of your required text, you can help your students enjoy substantial cost savings at the bookstore! For class sizes from 25 students and up, *Boundaries* enables you to put together course materials that are the perfect fit, organized just the way you want them.

Control

Our custom readers take the guesswork out of text revision cycles. You can extend the life of your custom book beyond the off-the-shelf types by deciding, how, when, and whether you want to revise – annually or less frequently.

Boundaries: Readings in Deviance, Crime and Criminal Justice offers content in the following topics:

- Understanding Deviance and Conformity
- Becoming Deviant
- Explaining Deviance
- Types of Deviance
- Reactions to Deviance
- Understanding Crime and Criminology
- Explaining Crime and Criminal Behavior
- Types of Crime
- Societal Reactions to Crime

Features

Best For Your Students

Higher education is not a one-size fits all endeavor, and neither is your course. Your course reader should reflect the same thoughtfulness and attention to detail as the course itself. *Boundaries* gives you the power to create a tailor-made reader for your Deviance, Crime and Criminal Justice courses that puts you, your students, and their education first.

Convenient For You

No need to reinvent the wheel – *Boundaries* has great tools that make creating your customized readers a snap. Our book building software is intuitive, flexible, and makes customization easier and faster than retro-fitting a preset reader. Add that to our superior quality, top-notch material, and unparalleled pedagogy, and you'll see why other instructors rave about their *Boundaries* reader.

Select only the material you need.

Boundaries is easy on your students' budget and the environment. By cutting out useless material and wasted space, you reduce cost and minimize your impact on our environment.

Add your own material.

Include your own syllabus, course notes, and exercises – even copyrighted material from other publishers.

Set the order of the content.

Say goodbye to hop-scotching all over your textbook in an effort to bend it to your course. You'll save precious time and help your students stay on track.

Everyone appreciates good quality.

Pearson Learning Solutions prints digitally from electronic files – no more tacky photocopies. And our layout is designed with your students in mind, with wide margins and ample white space for note taking, and paperstock that's ideal for highlighting.
