

MyMathLab is an interactive website where you can:

- Self-test to improve your math skills.
- Study more efficiently. Create personalized study plans with exercises that match your book.
- Get help when you need it. Includes multimedia learning aids like videos and animations.
- Talk to a live tutor via a toll free number.

Before You Begin:

To register for MyMathLab you will need:

- A “Course ID” provided by your instructor:** (See your instructor or contact the math department.)
- A MyMathLab student access code** (packaged with your new text, sold separately in your bookstore, or available for purchase at with a major credit card at www.mymathlab.com)
- Your school’s zip code:** 60137
- A valid College of DuPage email address.

Student Registration:

- Go to <http://www.coursecompass.com> and click the **Register** button for Students.
- Review the **Before You Start** information: If you have everything you need to register, scroll down and click **Next**. (If you need to buy access online, click that option and follow those prompts to register).
- Read the Privacy Policy and License Agreement and click **“I Accept.”**
- If you have previously taken a course using MyMathLab or CourseCompass, click **Yes, Look Me Up** and enter your username and password. Otherwise, select **No, I am a New User**.
- Enter your **Access Code** in the fields provided (type one “word” per box).
- Enter your School **Zip Code**, select your Country, and click **Next**.
- Enter your **Course ID** and click **Next**.
- Enter your **Name** and **Email** and select **Your School**.
- Create your **Login Name** and **Password**, answer the **Security** Question, and click **Next**.

If successful, you see a **Confirmation & Summary** screen; write down your confirmed login/password in case you forget it! A confirmation email will also be sent to you: If you use a Spam email blocker, be sure to allow emails from Pearsoned.com.

Logging In:

- Go to <http://www.coursecompass.com> and click the **Log In** button for Students.
- Enter the **login name and password** you just created (write it down in case you forget it!) and click **Log In**.
- You will see the name of your **course** listed on the left; click that link to access your course and Announcements.

The first time you enter the site from your personal computer **and** anytime you use a new computer, click on the software **Installation Wizard** on the Announcements page. This wizard will walk you through installing the software you will need to use the MyMathLab resources. Note: Software may already be installed on the school’s lab computers; check with your lab administrator.

Need Help?

- Visit <http://www.mymathlab.com/contactus.html> for student “getting started” information, to fill out an online request form, or to use Pearson’s live “Chat” feature to talk with a member of the support team.
- Additional help can be found on your course Announcements page by clicking the **Tip Sheets**, as well as, in any Chapter Contents area by clicking **“MyMathLab Student Help”** at the top.

MyMathLab includes access to the AW Tutor Center!

Visit www.aw-bc.com/tutorcenter for available tutoring services.
